

THE PAIN POINT ELIMINATOR™

Articulating Your Financial Vision

In the middle of difficulty lies opportunity-

Albert Einstein

We would align ourselves with this wise thought and view the current downturn in the economy indeed as an opportunity to investigate alternative business models and reshape financial models.

Next Stage Solutions can eliminate some of your current pain points by articulating your financial vision, saving you money, time and unnecessary frustrations. We take a long term view with short term solutions!

Next Stage Solutions shares the entrepreneurial spirit with passion and commitment to the idea of innovation and invention. We formulate effective and strategic business models for emerging companies in the life sciences, bioinformatics and hightech sectors and position them for start-up or growth capital.

Pain Points

Rejection

Did you know? The Number 1 reason why business plans fail is that financial forecasts and assumptions are unrealistic! We save you time and energy in leveraging our experience for your long term success! Our financial models are execution-oriented to lower your risk and increase your business value.

Transition into feasible financial entity

You are transitioning into the business side and need support in setting up a first stage financial model that is cohesive with your business plan, articulates your financial vision and dramatically advances your funding chances.

Strategies for next financial event

You need a clear business and financial model for your next financial round. You are developing a milestone-oriented operating plan and need a sound future funding strategy with realistic funnel projection strategies.

Our Hands On Approach

With our hands on approach, we not only analyze and evaluate, but we assist and oversee the proper implementations and changes. We manage weaknesses, focus on core competencies and support companies into the next stage of development.

We understand Rapid Market Penetration

Next Stage Solutions is fast, flexible, operationally driven and recognizes the importance of rapid market penetration.

Collaborating Consultants

We are also a member of Corporate Development Advisors (CDA), a virtual team of collaborating consultants providing additional expertise such as FDA Compliance, Intellectual Capital and Competitive Intelligence.

Consulting/Interim Management

Consulting is available on a project, daily or hourly basis with a clear execution plan. Next Stage Solutions also provides interim management, ideally one day a week, depending on the urgency or complexity and typically in a CFO, COO or fundraising capacity.
